

We have all stayed within the boundaries
of the original planning

Yours faithfully

2 Rixon Crescent.

21.4.17

Subject: Re - 6 Rixon Crescent Melton -
Planning Permission

Our objection to this proposal are the limited parking available on this property necessary for the large project in question. It is a private road & access must be available at all times for services & emergency to other properties.

The extra construction would not be in keeping with Rixon Crescent.
