

MELTON PARISH COUNCIL

Chairman: Councillor GK Butterwick

MPC(08)P160.06

Local Transport Representative

1. Review of the Actions delegated by full Council.

There is still no news from First Eastern Counties Buses about the diversion of service 63 to serve Melton Park. Response to a recent item in *Melton Park Management Company News* has been about 50 / 50 for / against the proposal.

2. Bus Services.

Suffolk County Council have made minor changes to sponsored services 71 (Orford - Hollesley - Sutton Heath - Woodbridge - Martlesham Heath - Grange Farm - Ipswich) and 72/72A (Woodbridge - Sutton Heath - Hollesley - Bawdsey - Hollesley - Shottisham - Woodbridge), which take effect on 18th August 2008. The Local Guide to Public Transport will be updated on the parish council's website.

3. Train Services.

Planning consent for the extension of the station car-park has been granted. We await proposals for a funding package to bring this project into being.
