FINANCIAL REGULATIONS

These Revised Financial Regulations were adopted by the Council at its Meeting held on 14th November 2013.

For the avoidance of any doubt where these regulations refer to 'council' that is also to include council committees and sub-committees.

01 GENERAL

- 01.01 These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council has a sound system of financial control which facilitates the effective exercise of the Council's functions, including arrangements for the management of risk and for the prevention and detection of fraud and corruption. These financial regulations are designed to demonstrate how the Council meets these responsibilities.
- 01.02 The Responsible Financial Officer (RFO) is a statutory office and shall be appointed by the Council and shall also include the role of 'Proper Officer'. The Clerk has been appointed as RFO for this Council and these regulations will apply accordingly. The RFO, acting under the policy direction of the Council, shall administer the Council's financial affairs in accordance with proper practices in relation to accounts and internal controls. The RFO shall determine on behalf of the Council its accounting records, and accounting control systems. The RFO shall ensure that the accounting control systems are observed and that the accounting records of the Council are maintained and kept up to date in accordance with proper practices. In these regulations the title RFO shall also mean a Properly Qualified Assistant Clerk who has been authorised by Council to carry out the duties of the RFO during the temporary absence of the RFO
- 01.03 The RFO shall produce financial management information as required by the council.
- 01.04 At least once a year, prior to approving the annual return, the Council shall conduct a review of the effectiveness of its system of internal control which shall be in accordance with proper practices. The findings of the review shall be considered by the Council as a whole, or by a committee of the Council.
- 01.05 In these financial regulations, references to the Accounts and Audit Regulations shall mean the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998 and then in force.
- 01.06 In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in "*Governance and Accountability in Local Councils in England and Wales – a Practitioners' Guide*" which is published jointly by NALC and SLCC and updated from time to time.

02 ANNUAL ESTIMATES (BUDGET)

- 02.01 Each Committee (if any) shall formulate and submit proposals to the Council in respect of revenue and capital, including the use of reserves and sources of funding, for the following financial year no later than 31st October.
- 02.02 Detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the year shall be prepared each year by the RFO in the form of a budget to be considered by the Council.

- 02.03 The Council shall review the budget not later than the end of January each year and shall fix the Precept to be levied for the ensuing financial year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved budget.

- 03.03 The RFO shall provide the Council at each meeting actual and budgeted figures for the period under review and for the year-to-date, together with year-end forecasts.
- 03.04 The RFO may incur expenditure on behalf of the Council which is necessary to carry out any repair, replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £7,500. The RFO shall report the action to the Council as soon as practicable thereafter.
- 03.05 Unspent provisions in the revenue budget shall not be carried forward to a subsequent year but placed in a General Reserve.
