The New Order (Ipswich Reds)

## ***The Times They Are a Changing!***

***Starting on Sunday 1<sup>st</sup> September, First Norfolk & Suffolk (now trading as 'Ipswich Reds') will be making big changes to the routes and times of local buses.***

***Official information is very scanty, so I have produced as comprehensive a guide to buses & trains running between Melton, Woodbridge and Ipswich.***

***This Temporary Autumn 2019 Edition of the Guide to Local Public Transport shows not only the new bus times, but highlights those which will stop running on 1<sup>st</sup> September.***

In the absence of official maps of the new routes, we have not tried to produce one. However, a list of bus stops which will no longer be served on a regular basis can be deduced. Here it is [**NB** southbound means to Ipswich, northbound means to Melton & beyond]:-
