To receive an update on the Youth Play Equipment

Exercise Equipment

The Assistant Clerk contacted the PE department at Farlingaye for advice on suitable equipment for the teenagers. They suggested Parkour could be a good idea. Having spoken to the Active Communities Officer it was advised to carry out a consultation with the target age group to see what equipment they would want and use. Funding of this equipment could come from the Playpot. (£45,257.16). It is worth considering that if we take on the Hall Farm Road playing field then play equipment will probably need to be installed there.

Councillors are asked to:

- Agree to carrying out a consultation with this age group and present findings to Full Council
