

MELTON PARISH COUNCIL

REC(19)59.01

To review quotes for Tree Works and select a supplier

Three suppliers were originally approached to carry out Tree Safety works in Burkes Wood. One declined due to injury and one failed to respond. Another supplier was approached so we have two quotes to compare. Method statements and insurance cover will be required before work commences.

Quote 1		Quote 2	
Pollard Salix Alba Fell to ground level 3 x Acers Repair fire damaged oak with an oak draft All arisings stacked away from paths for habitat	1650 + VAT	Pollard Salix Alba Fell to ground level 3 x Acers Spray fire damaged oak with spray (MPC to supply) All arisings stacked away from paths for habitat	£1800 + VAT
