

MELTON PARISH COUNCIL

MPC(20)89.05

GRANT GIVING IN 2020/21

At its meeting held on 14 October 2020, Finance, Employment and Risk Management (FERM) Committee resolved to make the following recommendations to Full Council:

- To make a payment of only £400 to support the *Melton Messenger* in 2020/21 instead of the originally approved and budgeted for £1,150, because of the suspension of the printed version due to Covid-19
- To use £500 from the balance saved to offer small grants instead. Applications would need to be made by 31 December 2020.

Full Council is requested to consider these recommendations and make decisions accordingly.
