

MELTON PARISH COUNCIL

REC(21)05.01

Melton Playing Field

Melton Road Verge Clearance

The verge along Melton Road was cleared at the end of November 2020. The contractors removed the vegetation to the edge of the pavement. A ticket has been raised with Highways about the state of the pavement.

Hedge Cutting

CGM carried out the annual hedge cutting at the beginning of December. They were only able to do the roadside initially as the ground was too wet to take heavy vehicles onto the playing field. The remaining hedge cuts will be carried out in January 2021.

Play Park

Covid-related signs are replaced regularly and one piece of equipment is still closed off.

Beacon

The shield has been installed and socially distanced photos with those involved were taken in December.

Car Park

The resurfacing of the car park and extension of the path to the Pavilion will be an adjunct of the Pavilion Project in 2021.

CCTV

The maintenance officer is carrying out weekly checks of the CCTV to ensure it is working correctly.

Forest School

Woodbridge Primary School has recommenced their Forest School sessions and have provided insurance certificates, updated risk assessments and a new hire agreement is in place.

Councillors are asked to:

Note and comment on this report

A handwritten signature in black ink, appearing to read 'Pip Alder', enclosed within a rectangular border.

Pip Alder
