Tree Safety Survey

Melton Parish Council is looking to commission a Tree Safety Survey of the Melton Road Recreation Ground and Burkes Wood and the 21 parcels of land being divested from East Suffolk Council. Three surveyors were invited to quote and these were discussed by the Recreation Committee on the 6th January 2021. The quotes ranged from £3,400 to £4,800. After careful consideration, the Committee felt that the quote from Surveyor 2 was preferable. The level of detail in the quote demonstrated that the surveyor had researched the land to be surveyed and understood the quantity of trees that require inspection. The cost of the survey is £4,753 and will be covered by existing budgets.

Councillors are asked to:

Approve the appointment of this surveyor to carry out the Tree Safety Survey this year.
