

MELTON PARISH COUNCIL

REC(21)19.04

Melton Playing Field Signage

The sign at Melton Playing Field is showing signs of wear and tear and contains information that is out of date. There have been discussions in the past about replacing it but it was not felt to be a priority at the time. Now that the new parcels of land are being divested to MPC and there are CIL funds available it is felt that it is appropriate to revisit this proposal. There are also separate signs around the playing field covering drones, CCTV, golf, BBQs, camping etc. Some of these signs could be amalgamated into one sign. The images below show some of the current signage.

The current sign is placed near the car park at the edge of the playing field. Other signs are placed at the pedestrian entrance, on the tennis courts and at the entrance to Burkes Wood. This report deals with the existing signage only and new signage for the divested parcels of land is being considered in paper REC(21)21.01.

Recommendations

Councillors are asked to:

1. Decide if the sign should be replaced
2. If it is to be replaced, consider:
 - How many boards are required
 - what content should be included
 - style of board(s)
 - location of board(s)
