Melton PC has consistently recommended refusal of this application on the grounds that access via the St Andrew's estate is neither supported by the Neighbourhood Plan nor considered acceptable in planning terms. On 30 March 2021 East Suffolk Council Planning Committee (South) considered the application and delegated authority to determine to the Head of Planning and Coastal Management on the basis of approval being granted subject to no objections being received from Natural England and / or Suffolk County Council as Lead Local Flood Authority, a s106 Agreement detailing highways improvement works, affordable housing provision, a contribution to the Suffolk Coast RAMS and controlling conditions 1 to 25 as set out in the decision; otherwise to refuse. Since the decision was made following legal representations from an objector East Suffolk Council has agreed to remit the application back to the Planning Committee (South) for re-consideration.
