RECORD OF DECISIONS DELEGATED TO THE CLERK TO THE COUNCIL IN ACCORDANCE WITH THE REQUIREMENTS OF THE OPENNESS OF LOCAL GOVERNMENT BODIES REGULATIONS 2014

DECISION NUMBER	15
DATE(S) OF DECISION(S)	1. 13 th June 2022 2. 15 th May 2022 3. 21 st April 2022
OPTIONS CONSIDERED	<p>1. Patching of wetpour at Beresford Drive play area The wetpour was damaged in several places resulting in trip hazards. As we were having wetpour installed at the Jubilee Green at the same time it seemed prudent to get the wetpour cracks fixed at the same time. This was cheaper than getting a company to come out at a different time. The cost was £780. Recreation Committee was informed and agreed with the decision. It was funded out of the sinking fund EMR.</p> <p>2. Change of water supplier at the Pavilion and 17 Riduna Park We were advised by LoveEnergy that we could make a considerable saving on our water bills if we changed supplier. We have moved from Wave to Everflow. The predicted annual bill is estimated at £293.47. In 2021/2 we spent around £420.</p> <p>3. Change of electricity supplier for the Pavilion Our fixed price contract came to an end in Feb 2022 but E.On failed to inform us of the price rise to 32.20p/kWh and a daily standing charge of 77.76p/day. Having sought alternatives, we selected a 1 year fixed rate with EDF with a unit rate of 38.2 (day)/34.8 (night) and daily standing charge of 25p/day. It was decided to fix for a year due to the uncertainty around usage, market changes and the new Pavilion being fitted with solar panels.</p>
