Meeting held on 13 th July 2022 (PLA(22)M05 previously distributed).	
22.84	To review new Planning Applications received

22.85 To review updates on other Planning Applications

22.85.01 DC/20/1831/OUT Land off St Andrews Place and Waterhead Lane, Melton

Residential development of up to 55 dwellings, with access off St Andrews Place. Melton PC has consistently recommended refusal of this application on the grounds that access via the St Andrew's estate is neither supported by the Neighbourhood Plan nor considered acceptable in planning terms. On 30 March 2021 East Suffolk Council Planning Committee (South) considered the application and delegated authority to determine to the Head of Planning and Coastal Management on the basis of approval being granted subject to no objections being received from Natural England and / or Suffolk County Council as Lead Local Flood Authority, a s106 Agreement detailing highways improvement works, affordable housing provision, a contribution to the Suffolk Coast RAMS and controlling conditions 1 to 25 as set out in the decision; otherwise to refuse. Since the decision was made following legal representations from an objector East Suffolk Council has agreed to remit the application back to the Planning Committee (South) for re-consideration. The Planning Committee (South) reconsidered the application at their meeting on the 22nd February 2022. Committee members carried out a site visit through St Andrews prior to the meeting. Although recommended for approval by the Planners the Committee voted for the application to be refused on matters relating to Highway Safety. Information from Fire Service has been distributed to members. A new, but invalid, application for five – DC/22/1739/OUT has been received by ESC but it is not publicly available yet. An appeal is currently registered and validated with the request for a written statements procedure by the appellant and agreed by the Council but this needs to be agreed by PINs.

22.86 Public Consultations

22.87 To review Planning Notices received

No new Notices have been received.

22.88 To review the position on existing Planning Appeals

22.88.01 AP/21/0039/REFUSE Land off Yarmouth Road, Melton

An appeal has been made to the Secretary of State by Christchurch Land & Estates (Melton) Ltd against the decision of East Suffolk Council to refuse planning consent for a Care Village comprising an 80-bedroom care home together with 72 assisted care bungalows, club house, bowling green, car parking, open space provision with associated infrastructure and access. The Secretary of State has, with the consent of the parties, agreed to determine the appeal at a Public Inquiry, which was due to take place on 14 December 2021 but was postponed. The appeal took place w/c 15th March with Cllr Brown attending and participating. The decision has yet to be received:

<https://publicaccess.eastsuffolk.gov.uk/online-applications/appealDetails.do?activeTab=externalDocuments&keyVal=QZH4KZQX08O00>

22.89 Melton Hill - Former Council Offices

To receive a verbal update regarding the former Council Offices on Melton Hill.

22.90 Sizewell C update

<https://melton-suffolk-pc.gov.uk/sizewell-c/>

On 16th February 2022, MPC submitted a final representation to the Secretary of State emphasising our opposition to EDF's night train proposals and also summarising our positions on the wider Sizewell C planning application, particularly the latter's all-important freight transport strategy.

The Secretary of State originally had until the 25 May 2022 to make a decision on the SZC application but on the 8 May it was announced that the decision would be delayed until the 8 July 2022. This is to ensure there is sufficient time to fully consider further information provided by the applicant and interested parties in response to the Secretary of State's post-examination consultation.

Melton Parish Council signed the Anglian Energy Planning Alliance letter which was sent to the Secretary of State (see Paper PLA(22)41).

On the 20th July 2022 the Sizewell C Project application was granted development consent by the Secretary of State for Business, Energy and Industrial Strategy.
